

Turf Lawn Seed

FAIRWAY "B"TM

Fairway "B"TM, MAPLESEED's widely used lawn seed blend is a good all-purpose, turf mixture that can be used around the house, farm, and for landscape needs.

It still remains an outstanding turf seed mixture and good for full sun or moderate shade.

Fairway "B"TM is composed of:

Kentucky Bluegrass	A persistent, spreading turfgrass. Wear tolerant.
Creeping Red Fescue	Fine texture, and very shade tolerant.
Transist Intermediate Ryegrass	Germinates and established quickly

Fairway "B"TM is available in 8 and 25kg sizes.

MAPLESEED reserves the right to change mixtures.
